

Terrence J. Thines, D.D.S., M.S

Residence

- 3297 Oak Brook Road, Baldwinsville, NY 13027, (315) 303-5031

Work

- Dental Clinic, Room 4096, 90 Presidential Plaza, Syracuse, NY 13202, (315) 464-9778

Education

- B.S., Marietta College, Marietta, Ohio 1970
- D.D.S., School of Dentistry, State University of New York at Buffalo 1975
- General Practice Dental Residency Buffalo General Hospital, Buffalo, New York 1975-1976
- Kellogg Fellow in Dental Quality Assurance 1981-1984
- M.S., Department of Social and Preventive Medicine, School of Medicine, SUNY at Buffalo 1984

Employment History / Academic Appointments

- Professor, Chief of Service 2005-present
Department of Surgery, Division of Dentistry
Upstate Medical University/University Hospital, Syracuse, NY
- Associate Staff 2006-present
Department of Surgery, Division of Dentistry
St. Joseph's Hospital Health Center, Syracuse, NY
- Associate Professor 1997-2005
Department of Oral Diagnostic Sciences
University at Buffalo School of Dental Medicine
State University of NY at Buffalo
- Clinical Service Director 2000-2005
Department of Dentistry, Kaleida Health, Buffalo, NY
- Program Director 1997-2005
General Practice Dental Residency
University at Buffalo School of Dental Medicine/Kaleida Health
- Associate Professor 1995-1997
Department of Oral Health Services and Informatics
State University of NY at Buffalo
- Associate Professor 1993-1995
Department of Oral Medicine
State University of NY at Buffalo
- Clinical Associate Professor 1989-1993
Department of Oral Medicine
State University of NY at Buffalo
- Dental Director 1987- 1998
Waterfront Health Care Center
Buffalo, New York

- Clinical Assistant Professor
Department of Oral Medicine
State University of NY at Buffalo 1983-1989
 - Dental Director, Deaconess Center
Skilled Nursing Facility, Buffalo, New York 1984-2004
 - Director-Dental Clinic Deaconess Center
Buffalo, New York 1979-2003
 - Assistant Professor
Department of Oral Medicine
State University of New York at Buffalo 1979-1983
 - Coordinator, Department of Dentistry
Buffalo General Hospital
Buffalo, New York 1976-2000
 - Instructor, Department of Oral Medicine
State University of New York at Buffalo 1976-1979
- Certification and Licensure**
- New York State Dental License - 031618 1976-present
 - Fellowship-American Association of Hospital Dentists (by examination) 1984-present
 - Diplomate in Special Care Dentistry: American Board of Special Care Dentistry 2005-present
- Research, Grant and Contract Support - Principal Investigator**
- PRINCIPAL INVESTIGATOR for W.K. Kellogg Foundation project grant to investigate quality assurance in hospital dental programs. \$2000 1981-1984
 - PRINCIPAL INVESTIGATOR for Test Market Evaluation of Disposable Periodontal Scalers for Travenol Laboratories, Inc. \$1900 1985-1986
 - PRINCIPAL INVESTIGATOR for Advanced Education Program in General Dentistry Training Grant, Department of Health & Human Services \$331,076 1991-1993
 - PROJECT DIRECTOR for Ryan White HIV/AIDS Reimbursement HHS Division of Associated & Dental Health \$5,448 1993-1994
 - FACULTY DEVELOPMENT GRANT from Computing and Information Technology State University of NY at Buffalo-(software for curriculum development project) 1997-1998
- Research, Grant and Contract Support - Collaborative**
- Co-investigator Animal study of "In vivo" effects of Sargenti Root Canal Paste.-\$900 1975-1977
 - Clinical Investigator for Levamisole Drug Study to evaluate therapeutic effect for recurrent aphthous ulcers.-\$8500 1975-1977
 - Coordinator for DHEW Health Professions Capitation Program for SUNYAB School of Dentistry, \$2050 per student per year. 1977-1980

- Co-Investigator for NIH contract, "Application of Fluorescent Antibody Methods to the Clinical Determination of the Etiologic Role of Oral Microorganisms in Human Caries"-\$19,261 1978-1980
- Coordinator for DHEW PHS General Practice Residency Training Grant-\$230,000 1978-1981
- Co-Investigator for the "Clinical Evaluation of Lactinex in the Treatment of Fever Blisters"-.-\$10,000 1978-1980
- Coordinator for Robert Wood Johnson Foundation Hospital Sponsored Ambulatory Dental Service Program-\$500,000 1979-1983
- Co-Investigator for the clinical evaluation of the effect of Cepacol on the hamster cheek pouch.-\$6000 1981
- Co-Investigator for the clinical evaluation of the effect of Cepacol Mint Toothpaste with Fluoride on the hamster cheek pouch.-\$6000 1982
- Co-Investigator for Anxiety Reduction techniques for the dentist supported in part by NIDR research grant-\$179,190 1984
- Assistant Dental Director for "Faculty Training Project in Geriatric Medicine and Dentistry". (Principal Investigator-Evan Calkins)-\$364,362 1989-1991

Current Teaching Activities

- Ambulatory Clinic Preceptor
- Facilitator: city-wide Dental Resident Evidence Based Journal Club
- Oral Medicine seminars series for dental residents
- Developed computer-based patient evaluation and management hypertext reference
- Emergency Medicine Grand Rounds
- Invited CME provider for local professional societies
